

# *Visit* **Littlehampton** *Sussex by the Sea*

*Whether you're down for the summer holidays or just a family break for the day, Littlehampton has it all; award winning beaches, beautiful grass picnic areas and gardens and ample parking.*

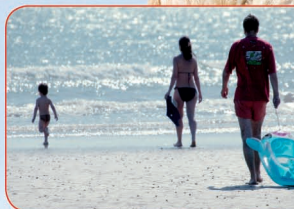

# Littlehampton is a family-friendly, seaside resort with clean and safe beaches and a glorious location on England's South Coast.

There are so many opportunities on tap that you will come back again and again.

Visitors seeking waterside activities will be spoilt for choice with the conveniently located East Beach and the secluded West Beach as well as the River Arun. On East Beach you will find Harbour Park with its many rides and the Windmill Theatre & Cinema in addition to a wide range of seafront activities from a train trip along the prom to adventure golf. There is also a picnic area on the vast green with unique BBQ facilities where families can relax and enjoy themselves.

There are River cruises which take passengers up to Arundel, where you'll have the opportunity to see and visit its famous castle.
