Rescue, Rehabilitation & Re-homing

Did you know HorseWorld is a Charity?

HorseWorld rescues abandoned, mistreated and neglected horses, ponies and donkeys. Each animal is nursed back to health and, wherever possible, we then seek loving homes so that they can have a second chance at life.

Horses like baby James. Just three days old when he was rescued by the HorseWorld team, the tiny foal had been abandoned and, without vital milk and love from his mother, had been left to die.

The Team rallied together to care for the foal, bottle-feeding him initially every hour through the day and night, giving up their free time to ensure James's survival and sleeping on the sofa at night in the staff room to make sure that they were always on hand to help their newest arrival.

Against all odds, James pulled-through and we were able to match him up with a foster mum who treats him like her own son.

Visit us today and find out why and how horses like James are rescued. Discover how we nurse them back to health and how we guarantee them a safe and happy future.

Above all, find out how you can make a difference to horses in need. For more information call **01275 893034** or email fundraising@horseworld.org.uk

Get involved in Fundraising Fun

Where every day's a fun day rain or shine!

Set in beautiful stone farm-buildings on the southern edge of Bristol, HorseWorld's Award winning Visitor Centre is a Quality Assured Attraction that offers a great day out for everyone.

Whatever the weather, every day at HorseWorld is a fun day!

HorseWorld is one of the South West's leading Equine Charities, rescuing, rehabilitating and re-homing horses, ponies and donkeys in need.

In April 2000 HorseWorld opened its Visitor Centre to the public, giving an opportunity to visit the rescued animals and see our work in action! This year HorseWorld's Visitor Centre is celebrating its 10th Anniversary with lots more to see and do!!

There are over 8 acres of adventures to explore, with indoor and outdoor activities, straw den, agility trail and **NEW** for 2010 an Aerial Runway, Jungle Climber and for the younger visitor a Kidbine Harvester!!

Best of all everyone can enjoy the experience of caring for a pony in our supervised Touch and Groom stables and help our Grooms with interactive feeding.

If grown-ups fancy a rest or some retail therapy there is a great café that serves a selection of traditional meals and a shop that sells great gifts to remember your day at HorseWorld.

Join us in the celebrations with PRICES HELD for 2010, fantastic new Play Equipment plus much, much more to enjoy for a great day out.

Keep up to date with our 10th anniversary celebrations by visiting our website at www.horseworld.org.uk
