Sherwood Forest Steam Railway

STEAM RAILWAY Operates everyday within the Farm Park

The only 15" gauge railway in Nottinghamshire. Our railway is a nostalgic trip to the days of polished brass and the sight and sound of steam. We have recreated in miniature a rural branch line meandering through beautiful scenery and the unique farm park collection of rare breeds. A special feature of the railway is a 30 metre long tunnel.

Prior booking is not required but a fee of £1.00 per person is payable in addition to the normal Farm Park entrance fee. (Group discounts available if booked in advance).

NEW! WINTER SPECIALS:
• Halloween Event (end October) • Santa Specials (December)
PRIOR BOOKING FOR THESE EVENTS IS ESSENTIAL. For full details and to pre-book please telephone David or Colleen on 01623 515339.
